

# The **Annual Dinner** for **Facilities Management** and the **Built Environment**

Proudly sponsored by

**27 September 2017**  
**Grocers' Hall**  
**London EC2R 8AD**

## **The Worshipful Company of Pattenmakers**

The Dinner for FM and the Built Environment is an annual Livery dinner held by The Worshipful Company of Pattenmakers to celebrate the people, projects, concepts, and innovations leading the way in property and facilities services in London.

Although the footwear industry represents the traditional trade heritage of the Pattenmakers, the Company is also home to a thriving community of professionals from the facilities management and built environment sector.

The Pattenmakers' Charitable Foundation's main beneficiary is the design and bespoke fabrication of orthopaedic shoes, particularly for injured British servicemen at the Defence Military Rehabilitation Centre at Headley Court.

### **Guest of Honour and After Dinner Speaker**

Tom Healey has worked at the Houses of Parliament since 1993 and is now the Director of the Palace of Westminster Restoration and Renewal Programme. This major refurbishment of the 1,100 room, Grade 1 listed Unesco World Heritage Site is one of the most significant and unique built environment projects happening in London over the next few years. In an informative pre-dinner presentation Tom will provide key insights into the challenges they will face in renewing and restoring this iconic feature of London's heritage.
