Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Supervisor	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Specialists						
HSE Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: red;">●</span>	<span style="color: orange;">●</span>		
Production Line Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Asbestos Consultant						
COSHH Specialist						
Fire Safety Specialist						
Environmental Coordinator	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: red;">●</span>	<span style="color: orange;">●</span>		<span style="color: green;">●</span>
Sustainability Specialist	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: red;">●</span>	<span style="color: red;">●</span>	<span style="color: orange;">●</span>	<span style="color: green;">●</span>
Environmental Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: red;">●</span>	<span style="color: red;">●</span>		<span style="color: green;">●</span>
CDM Coordinator						
Energy Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: red;">●</span>	<span style="color: orange;">●</span>		
Facilities Manager	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: orange;">●</span>	<span style="color: green;">●</span>		
Surveyor	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Engineer	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Security Staff / Porters	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Construction Site Workers	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>	<span style="color: green;">●</span>		
Catering staff						
Competent Person Designated Individuals						
All Staff						
Designers						

This matrix identifies best practice environmental competencies. The matrix is for guidance purposes only and will need to be tailored to the specific circumstances of individual organisations. A record of when training is completed should be maintained. Training requirements will need to be updated on an annual basis in line with reviews and legal requirements.
